In the pool

4-11 December at Roots Luxury Camp, Egypt DEPTHERAPY EDUCATION PROS COURSE. Come on the world's best Pros teaching programme to enable you to teach people with disabilities to dive. Our adaptive teaching programme is second to none. Steve and Clare Rattle are hosting us again at their tremendous diving facility and we will learn:

The theory around adaptive teaching

Medical conditions and medication and the implications for diving

Classroom based exercises and then

Practical work in the pool with injured guys suffering from a range of injuries and conditions.

THE BIG BONUS come on this programme as a DM or Instructor and you can work for the rest of the week as our students complete their PADI OW and AOW courses.

Roots have tremendous facilities and a brilliant house reef that is teeming with life.

Come and join us contact John@thescubaplace.co.uk for details or ask on here.

AN AMAZING PROGRAMME WITH AMAZING PEOPLE
